Dear Families,

Have you ever heard the quote, "If you want to make God laugh, tell Him your plans." Every time I try to weave my day the way I think it will work best, the Lord's loom is flying and creating the day that will really be the best for me. He chooses events that give me a better understanding of people, more trust and dependence on Him and others, more willingness to adapt to the needs of others, or maybe just a fuller sense of humor to help me not take myself too seriously. I still keep planning my day and give God a few good laughs but I pray I can learn to laugh with Him as the plans and agendas are in constant motion. May the week ahead give us some good reasons to laugh and praise God for knowing what is best.

Celebrating 100 Days

Students in grade 1, room 1 spent last Monday showing how they aged during the first 100 days of

school. The day was filled with many learning activities, all around the number 100.

Save the Date

On Monday, April 3 at 7:00 p.m. in the gym we will have a general Home & School meeting on a very important topic – anxiety among our youth and its effects if not dealt with. The present will share his/her personal story on coping with mental illness. This topic is useful to parents of children of all ages. More and more children are beset with anxiety.

The meeting is mandatory for parents of students in grades 6, 7, 8 because the presenter will share his/her story with those students on Tuesday, April 4, at 1:00 p.m.
