Dear Families,

We are coming to the end of another Lent, a time of retrospection and change. Now we enter the Sacred Triduum of Holy Thursday, Good Friday, and Holy Saturday, the most sacred time of the liturgical year. We move from a time of repentance to a time of joyful celebration. But do we now forget about our Lenten renewal and go back to "life as usual", or do we remember that our everyday lives lead us through suffering (Lent) to resurrection (Easter), and keep our eyes focused on eternity rather than now? The Sacred Triduum helps us to set our spirit so that we can move our everyday lives toward the eternity that awaits us at our death.

Living Stations

Tomorrow, April 7, at 1:15 in Church, the 8th grade students will re-enact the Passion and Death of Christ. They will also present the Living Stations on Monday, April 10 at 7:00 p.m. This is a wonderful way to enter into Holy Week, so please join us at one of the presentations.
